Quidnet Collection

Quidnet village is a great place to relax and enjoy the view. Our ***Quidnet Collection*** of ***18 gauge undermount*** kitchen sinks are constructed of ***304 stainless steel.*** They are not only durable, they're easy to clean too. So you can spend more time enjoying your view. *Includes NS18, NS20 and NS1513.*

Madaket Collection

Madaket beach is known for its amazing sunsets. Our ***Madaket Collection*** is comprised of our majestic ***top mount*** sinks. Made from ***18 gauge 304 stainless steel,*** our sinks are picture perfect in any kitchen. *Includes NS2522-8, NS2522-D and NS3322-8.*

Requires top mount installation.

Requires under mount installation.

Can be top mount or under mount installation.

Verify that you have the minimum sink base recommended for installation which range from 18" to 36".

We use ultra dense 16 gauge stainless steel for durability, sound and strength.

We use ultra dense 18 gauge stainless steel blend of Chromium & Nickel protect against rust or corrosion.

We use 304 Stainless Steel and nothing less.

Rubber sound dampening padding is added for noise reduction.

Nantucket Sinks are sprayed with a special installation to reduce condensation.

Our stainless steel sinks are part of our Material Life Recycle Program. Please recycle!

We warranty our sinks to be free of material defect for the life of the sink under normal use.

Lux Accessory Package includes appropriate grid and drain.
