# VINEYARD COLLECTION

Our *Vineyard Collection* takes its name from Martha's Vineyard – just across the waters from the quaint island of Nantucket. With unique and distressed colored finishes and decorative details reminiscent of New England's islands, this collection is reflective of these artist colonies. These fireclay sinks encompass the delightful variations of oceanic hues, sandy beaches and rolling farmlands. These beautiful fixtures will mesmerize you with their charms – like the famed summer gingerbread cottages with all their intricacies.

Made and hand finished in Italy, each sink is unique.

Non-porous surface inhibits bacterial growth.

All natural materials and can return to the earth at the end of your sink's usage.

Inherently handles high temperatures.

Porcelain enamel glazed surface resists staining.

Custom cabinet or apron cabinet required.

Naturally sound absorbing.

Heavy - need 2 people to lift.

Before you buy...

Understand that you will be investing in a unique piece of art. Every sink is hand finished by Italian craftsmen. As a result, no two sinks are exactly alike.

SHABBY

PIETRA SARDA

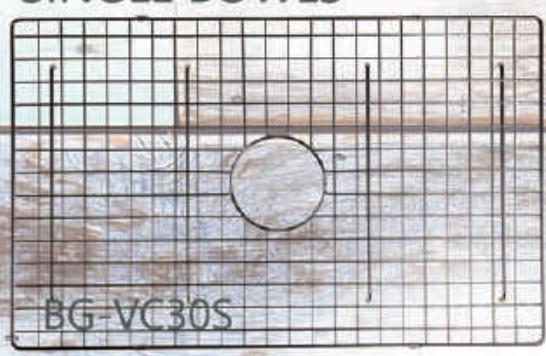

MATTE BLACK

▶ *SHABBY: Like a painted barn-board, weathered by the elements, that has lost it's coat in all the right places.*

▶ *PIETRA SARDA: A speckled stone look, flecked with natural muted hues, reminiscent of a rocky shore. Variations exist.*

▶ *MATTE BLACK: A classic and timeless look.*
